DIGITAL INNOVATION FARM
TECH BOX PARK

TECH BOX PARK

Our members come in different shapes and sizes. You may be an entrepreneur starting up a new business but with an idea in mind, an established business looking to test and trial new products for the agri-food sector, or a freelancer looking to work more flexibly. In all cases we have what you need to thrive. Empowering businesses to find solutions to real world challenges in the agricultural and land-based industries, the Tech Box Park offers a suite of membership options and services as well as workspace, exclusive events, testing and trialling facilities at Hartpury's commercial farm and an extended network of contacts and sites.

20% DISCOUNT

If you pay for the first 12 months upfront. There's also free parking and coffee!
